KOSHER CERTIFICATE 2026-2027

This is to state that the products listed below produced by **FABBRI 1905 S.P.A.** located at Via Emilia, 82/A – 40011 Anzola Emilia (BO) – Italy, are under our Rabbinical Supervision and are either **KOSHER-PAREVE** or **KOSHER-DAIRY** (Cholov Stam).

Two Rabbinical Representatives from the Triangle K visit the facility throughout the year. They ascertain that the ingredients used in the Kosher Products are under strict Rabbinical Supervision with valid Kosher Certificates.

There is a full separation between the Pareve productions and Dairy productions .

In addition all the boiler systems are fully Kosherized, through an "automatic-direct-injection" of a "chomer pogaim". The Mashgichim insure and verify that all Kosher instructions are fully adhered to throughout the year.

The KOSHER DAIRY products are listed on pages 1 through 19.

The KOSHER PAREVE products are listed on pages 20 and 21.

This certificate is valid from November 1, 2026 until October 31, 2027 and may be renewed at that time.

The Triangle K symbol on our Kosher Pareve products, or The Triangle K^D symbol on our Kosher Dairy products, is required to appear on individual product. Certified only when product number appears on outside carton.
